

## Aaron Lee Lusk

August 5, 1989 - September 11, 2020

STEEP FALLS - It is with great sadness that the family of Aaron Lee Lusk announces his unexpected passing on Friday, September 11th, 2020 at the age of 31. He was born in Portland, Maine August 5, 1989 to Greg Lusk and Leanne Hamlin.

Aaron will be lovingly remembered by his long-term partner, Harley Light; and his daughters, Paisley, age 4, and Piper, age 2. He was so proud of his little girls. They were his greatest accomplishment and their happiness fueled him. He is also survived by loving siblings, Jennifer Young, Gina Sawyer, Adrienne Young; grandmothers, Nelle Ely and Jean Hamlin; many nieces and nephews; countless family members and friends, and a recently reunited biological family.

Aaron was a creator, a fearless trailblazer, a one-in-a million smile. He lived for adventure, his heart was big and his love for life was contagious. He left too soon with so much untapped potential and his family is lost without him. He is in the arms of his mom who predeceased him in 2001. He always believed he could fly. Now he can.

He graduated from Lake Region High School, then worked for many years at Acres of Wildlife, where he made lifelong friends. He also worked for East Coast Communications and Grondin. Aaron had a gift of making an impact on everyone he met.

A visitation will be held 4 pm to 6 pm, Wednesday, September 16, 2020 at the Windham Chapel of Dolby, Blais & Segee, 434 River Road where, at 5:45 pm the Lions will perform a Last Call. His precious life will be celebrated from 10 am to 1 pm, Saturday, September 19, 2020 at 53 Portland Road, Bridgton, Maine. Please park at the elementary school.

In lieu of flowers please help support his daughters via a trust established at TD Bank, 756 Roosevelt Trail, North Windham, ME 04062.

“ Where do I even begin. Aaron I have more memories with you and of you than I know where to start, many that are a bit out there to even be shared. You, without a doubt filled not just my life but my families lives with so much happiness, smiles and laughter beyond compare. The spunk you had, the craving for life and adventure was wild and unstoppable. I'll never forget the first time I met you, I was with our friend Courtney and all those nights I spent over there you'd be sneaking over just to see me. There was the time you, myself, my sister and our friend went mudding by my house. You went full speed ahead into a puddle that was bigger than I was and got us stuck. We were there for hours before my uncle came to save us. We all came home covered in mud. How about the day you and Matt thought it would be funny to play a joke on me and stick a giant fake spider over me while I was sleeping, you poked me until I woke up and let a blood curtailing scream. Knowing full well I'm petrified of them. I've never seen you two laugh so hard. There was i time where I had almost drowned in Sebago Lake, we were enjoying a nice day on the water with my family and it had started to rain. Myself, not thinking straight wanted to jump in because it was so warm, like bath water. The boat was drifting away faster than I could swim to it and I began to grow very tired. It was then that I started to sink and both you and my father were so quick to fly in and grab me. Aaron Lee you definitely made an impact on my life and for that I will never forget you. I will never forget the love we had for each other, the crazy life you pulled me into and I loved every second of it. What I would give just to get a few more of those hugs from you. Anytime I was having a rough day, that hug of yours melted me and calmed me right down. I have many more memories that I will never forget, you kept me on my toes every second of every day all those years we spent together. Rest In Peace and please for the love of god, be safe up there. I know your mother is keeping a close eye on you now. I

love you Aaron. Your girls are in my heart and will forever be greeted with open arms from myself.
