“ I'd like to say good bye to a lady with a huge heart, she touched a lot of people throughout her fulfilled life. I lived next door to Alice for many years and she was so sweet to my son Chad, she would let him grab his own freeze pop every day all by himself, I'd say Chad don't go in there without Alice and she'd say it's ok he knows where everything is, he's a good little boy she'd say. You gonna be always remembered and truly missed. Good bye for now. From Tammy Pendexter

“ I am very sorry for your loss. I only met Alice a few times. She was a very kind lady. She always had a smile and was very kind. I know that she will be missed by many. Let it make you feel better knowing that now she is no longer in pain. She is in the house of the Lord and is safe from harm. God bless to the entire family.
