

Arthur Bernard Currier

December 14, 1924 - July 11, 2020

WESTBROOK- Arthur Bernard Currier, 95, passed away July 11, 2020 at the Gosnell House in Scarborough. He was born December 14, 1924 a son of Arthur Sr. and Alice (Michaud) Currier.

Arthur went to Westbrook schools and enjoyed playing sports, he excelled in football and basketball. He then enlisted into the Navy and proudly served our Country during World War II on the USS Conner DD 582, earning 13 battle star medals during his time of service.

When Arthur came home from the military, he married the love of his life, Mariette (Labreque) and the two of them raised their three children together. Arthur and Mariette spent 59 years of marriage together before her passing. Arthur loved spending time with his family and loved taking care of them. He went out of his way to see that they were happy.

Arthur spent his working career at the S.D. Warren Company and was employed there for 42 years before retiring as a Release Supervisor. In his free time, Arthur loved to bowl, golf, and play cards with his family and friends on Sunday nights. He also enjoyed gardening and growing vegetables, due to his color blindness; he wasn't always able to tell if tomatoes were red or still green but always picked the first tomato of the year for Mariette anyway. He was a great husband and father will be missed dearly by those that knew him.

Arthur is predeceased by his loving wife, Mariette (Labreque) and a brother Robert Currier and his wife Francine.

“ My condolences to you Kay, and the whole family. As you know I was very fond of Art and always appreciated his kind and helpful attitude. We would meet on occasion on the Riverwalk, where he exercised until a few years ago. Always enjoyed our chats while shopping at Hannaford. He was my mentor and trained me as a spare-foreman, although I was never able to even partially "fill his shoes". So enjoyed working with him for many years. I shall remember him fondly.
Sincerely, Fran Jensen

“ I will always remember Mr. Currier as a very caring and kind man. He also had the patience of "Job". I was one of the kids on Central St. and growing up I spent lots of time with the neighborhood kids. Mr. Currier would always be a welcoming figure. It was always a good time when we would all bump into one another after one of Arthur's dr. appt. with his daughter, Kay, in tow and we would reminisce. He was sharp as a tack and would remember details. He knew he was blessed with a wonderful family. I always got the sense that he was grateful for his life right up to the end. Job well done. Godspeed! Yvonne Graffam
