“ Dear Bethany and Hughie, So very sorry to hear of your Mother's passing. Michelle just mentioned it today, and I was remembering what great pals your mom and my mom were. I'm hoping there is a wonderful golf course in heaven. Keep those good memories in your heart. Leslie (Smith) Gibbs

“ Bethany, I am so sorry that you have to go through this. I loved Auntie B, she was the best! I have so many happy memories of our childhood at your house. I especially loved the "board of education" that had yours and Huey's name on it :). If I'm to be honest, I was always a bit afraid of it, I was glad my name wasn't on there! Of course I will never forget the great cook that Auntie B was, and the yummy spaghetti and meatballs she would make when I'd come to visit. She is of course the reason that I have to have candy in my house. She always had the best candy in her candy dishes, especially this time of year with the Valentines candy. It was always so good, I had to fill my pockets :). Sending so much love to you and Huey and all of your family.

“ Dear Bethany and Hughie, I am so sorry for your loss. Your Mom was one of the sweetest women in our family! How she ever put up with the antics that Chispa and I pulled is more than I'll ever know. One of my favorite memories of her was watching as my dad married your folks in our living room in New Gloucester. Hubba was my favorite cousin, and at 2 or 3 years old I was probably a little jealous, but also in awe. She was a beautiful woman and made your dad's life complete! My love and prayers to you all.
