

Cindy A. Farwell

June 22, 1959 - August 25, 2020

GORHAM - Cindy "Cindy Lou" Farwell, 61, passed away unexpectedly on Tuesday, August 25, 2020.

Cindy was predeceased by her parents, Edwin and Carol Farwell, Sr.; and grandparents, Clarence and Ruth Roth. She is survived by her brother, Edwin Farwell, Jr.; nieces, Nicole Cope, and Shelli-Ann Farwell; nephew-in-law, Dan Cope; great-niece Natalie Lerman; and great-nephew, David Cope.

She worked as a CNA for Saint Joseph's Manor and Seventy-Five State Street for a total of more than 35 years, until retiring in 2018 and taking care of during the week, alongside her best friend / Gun Smoke watching partner / brother Edwin, little David. She was his Yaya, teacher and best friend. She would spend hours molding planets from Play-Doh, teaching math, spelling, reading and learning all about whatever David wanted to learn on any given day. Cindy also adored watching Natalie grown up and highly achieve in school, get her driver's permit and her first job. They enjoyed having lunch at Tortilla Flats and discussing boys. With Cindy's new found faith in Jesus, she couldn't get enough of reading her Bible and learning more about God.

Cindy was the kindest person that you would ever meet, aside from her mother. She took care of elderly people at the end of their lives, cared for her mother with Alzheimer's and her brother, Edwin through heart and other health issues. She loved her nieces as if they were her own children and her great-niece and great-nephew as if they were her grandchildren. There wasn't one person whom she didn't show love and respect to and every person who knew her will miss her more than words could say. As Shelli-Ann would always tell you, "you are as beautiful as my heart!" See you in heaven Yaya!

“ My deepest condolences to the entire family. Cindy was a beautiful person who deeply cared about her family and treated everyone with love and respect. She would often send me (David's Mimi), updates during the week of things she and David were doing together and things he was learning. She always had a positive comment to make on Facebook which showed the sweetness of her heart. She will be deeply missed by many. Nikki Crowell

“ Cindy was such a warm and caring person with the biggest heart. Our mothers worked together at some point, so we had quite a bit in common. I will miss her. She will be missed by everyone who had the pleasure of knowing her. RIP my sweet friend.

“ I will only remember Cindy as a genuine, happy person. Ever since I first met her, it felt like I knew her all my life, that's how comforting of a friend she was. The way she would spoke to me about little David felt like it was the highlight of her day and it brought me so much joy when she would tell her stories with such enthusiasm.

“ Cindy was a true friend. When my mom was diagnosed with Covid 19 in May Cindy checked up on me daily. She kept doing it even after my mom passed in June. We talked about our moms and she sent me pics of David and told me what he was up to on a daily basis. She sent me words of comfort daily. She was the kind of friend everyone needs in their life. Never a bad word to say about anybody. No judging and no criticizing. Had a heart as big as the universe. I miss our talks my friend and I totally miss you. RIP Cindy Lou you will be missed forever. See you on the other side one day. Love you my friend. Thanks for the memories

“ Cindy was an important part of the 75 State Street family. She always had a smile for everyone and took great pride in the love and care she provided to the residents. Everyone at 75 State Street was so sad to hear of her passing. She was the kind of person that you will never forget and be better for knowing her.
