

Clayton Joseph Douglass

July 31, 1957 - December 1, 2018

GRAY—Clayton Joseph Douglass, 61, passed away on December 1, 2018 at Gosnell Memorial Hospice House in Scarborough after an 8 year long battle with cancer.

Clayton was born July 31, 1957, a son of Harry and Joan (Wakem) Douglass. He was a graduate of Westbrook High School and continued his education for welding at SMCC (formerly SMVTI). On May 30, 1981, Clayton married Mildred Sparks and together they had a daughter, Rachel.

Clayton spent his working years in maintenance for Saunders Brothers, and later as a mechanic and welder for Blue Rock and Pike Industries. Clayton was a jack of all trades and was an avid outdoorsman. He loved hunting, fishing, and metal detecting. A family man, Clayton truly enjoyed taking fishing trips and especially loved the special time he spent with his grandson Hayden, passing down his knowledge of the outdoors.

Clayton will be remembered for his storytelling; good sense of humor, and a loving man who valued family time above anything else.

He is survived by his wife of 37 years, Mildred Douglass; a daughter, Rachel Douglass and her partner, John Politano; and grandson, Hayden Dyer; brothers, Scott Douglass, and James Douglass and his wife Rebecca, and their daughter Leah Douglass; and a sister in law Evelyn Spearin and her daughter Sarah Fitzgerald.

A celebration of life will be held on Saturday, December 8, 2018 at 6pm at the American Legion Post 62, 17 Dunn St., Westbrook, ME 04092. In lieu of flowers, donations in Clayton's name may be made to The Friends of the Maine Wildlife Park, PO BOX 1231, Gray, ME 04039. “ I am so sorry for your loss. Clayton like to make me laugh. I remember his big smile and laughter. It was so contagious. He so loved his family and he was never shy to let everyone know just how much. He will be sadly missed by so many. Rest in Peace my friend.

“ I am so sorry for your loss. I remember when Clayton and I was in a class together and we didn't know why we took that class. He was so cool. We would talk all the time in class. May he RIP. No longer in pain and fighting. He is now your angel. Prayers for you and your family.

“ I am so glad that we got to re-connect at the W.H.S. reunion and got to stay in touch afterwards. A lot of years had passed in between but, we would communicate like it was yesterday. That's the kind of sweet guy Clayton was. He was like a book of knowledge about our Earth, land, the woods, hunting , fishing etc. Also,the upmost respect for him being such a wonderful family man. All the stuff that matters in this life. Until we meet again . You will be sorely missed. My heart, Love and Prayers go out to Mildred , Rachel, Hayden and family.

“ Not one day will go by without a memory of Clayton...His love for his family surrounded all that knew him. He shared his knowledge of being a loving husband, the best dad, and the greatest pop pop...the stories will be missed but will never be forgotten. Fly high Clayton

“ Clayton was an amazing human being. I never had any doubt that he had my back.. For every family member we lost together we grieved together and he told stories of remembering them and always had something positive to say. My hope for you my cousin is that you are enveloped in the arms of all of our family members, fishing pole in hand and sharing stories with them now. Save me a seat on the edge of a creek~ I love you Karen
