

David F. Jensen Jr.

July 21, 1982 - January 16, 2020

WINDHAM—David F. Jensen Jr., 37, passed away unexpectedly January 16, 2020 in Portland. He was born July 21, 1982, a son of Christina Hollbrook (Lestage) and David Jensen Sr.

Dave grew up in Windham and was proud to have been #75 on the very first football team of Windham High School. As a teenager, Dave served his community by volunteering as a Junior Firefighter with local Fire & Rescue. He graduated Windham High School in the class of 2001. At age 20, he began working at Burnham & Morrill in Portland where he has remained employed for 17 years, working his way up to management as warehouse and safety supervisor positions.

As a young man, Dave enjoyed roller skating and playing sports. He was a talented woodworker who also loved sports, cheering on all the New England sports teams, most especially his beloved Red Sox. To relax, Dave could be found with his dogs, Lexi and Penny by his side, watching a good cooking show, as he appreciated good food. A master debater, Dave had an unforgettable personality, and enjoyed a healthy political discussion. A tech guru, he always had the best in technology and had the knowledge to operate it! Above all, David was a family man. On October 14, 2017, he married the love of his life, Kristy-Ann Goodwin, and together they formed a family. His greatest title in life was being “Dad”, nothing brought Dave more joy than mentoring and coaching his boys, Quinten and Julien. Dave learned the role of what it means to be a good father, by looking at the example set by his own father, Bob Holbrook.

Dave will be remembered as a strong man with a soft heart, who was fiercely loyal to those he loved.

He is survived by his loving wife, Kristy-Ann Jensen; his children, Quinten Jensen and Julien Wilson; his parents, Christina Hollbrook (Lestage) and Bob Hollbrook; his sister, Jessica Jensen; and his nieces, Isabella and Olivia Jensen; his mother-in-law, Anna Goodwin as well as his father-in-law, Fred Goodwin and his longtime girlfriend Debbie Kenney; brother in-law, Stephen Goodwin and sister-in-law, Misty Grace and their three children Johnny, Katelynn and Stephanie; his sister in law Julie White and brother JC White; and nieces Cadence and Kallie; as well as many aunts, uncles, cousins, and countless friends.

He was predeceased by all of his grandparents, and his father, David Jensen Sr. and his beloved Uncle Joe.

A period of visitation will be held on Friday, January 24 from 12pm to 1pm at the Windham Chapel of Dolby Blais & Segee, 434 River Rd., Windham, ME 04062, where a memorial service will begin at 1pm. “ I am so sorry to hear about Dave’s passing. I was there in 1982 when he was born. He was a great boy and a great man. I always loved Dave and his dad.

“ I worked with Dave at B&M since 2011. I appreciated (and admired) his tender heart toward all. As someone who can be too serious at times, Dave could help me take a step back and enjoy a good laugh with him. He would not be ruled by the long list of tasks that needed to be done but thrived at prioritizing personal relationships.

I pray for a covering of God's peace and comfort for all who are grieving.

“ I made a career change back in 2000 and was hired as the tech teacher for Windham High School. My first year was with the class of 2001. David, Matt and his group of friends were all in my first period class that year. David had an infectious smile, was kind hearted and absolutely loved to have a good laugh at any and every opportunity. Even when he was feeling down he could always manage to find the good and the funny in any situation. I can still picture him walking up to my desk with that look on his face as he was about to start shoveling the bull as to why his work wasn’t done. As soon as he started to get out of his seat with that smile on his face saying, Mr. Harris, Mr. Harris can we talk? I’d chuckle to myself as I thought he we go. David always kept me laughing. As time marches on, students tend to think they are just a fading memory of those high school years. What they don’t realize is that to some of your teachers you are and will always be our kids and our students. Words can not express the feelings I felt when I learned of David’s passing. My heart hurts for David and his family and they will always be in my thoughts and prayers. To David, who like many of my students, had found a special place in my heart, I say, God Bless You. I am proud to say you are and will always be one of my kids. Just

like the rest of Windham High Schools class of 2001, you my son are "Second to None!"

“ We were shocked and saddened to hear of Dave's passing. I look at his smile in this picture and I want to cry. We knew Dave thru work but he was considered a friend. He worked at making his life better and was so happy to be a family guy! He went far too soon and will be missed. Our condolences to his family, we are so sorry for your loss.
