“ I used to work at Rich's with Doug he knew me as Lisa back then. Doug has a great sense of humor and he made the workplace a fun place to be. Wherever Lenny was Doug was and Doug's laugh was infectious. I hadn't realized his wife had passed and although I am sure it is a very hard time for DJ I hope he finds some comfort in knowing his parents are back together again. RIP Dougie and Rose. My condolences to DJ and the rest of the family.

“ Sad & broken hearted doesn't say enough for the loss of another family member. All of us who grew up on Newbury St were family. We had the most fun growing up there and it just saddens us when we lose another. Doug you will be missed by everyone whoever met you because you had that ability to make everyone feel your love.

“ Very Sad to see Doug has past. Used to see him when he worked at Mercy Hospital. Thinking of his family & friends during this difficult times. Hard to know we lost another friend from Newbury St. We all played, went to school, grew up together. There is a bond among all of us to this very day. Truly sorry. God give his family comfort & peace.

“ My favorite memories are on Newbury St in Portland. It was always a street party with the adults hanging around having a few (or more) cold ones while us little rascals ran all around. You were always there with a smile and great big hug. May you rest in peace. You will be missed.
