“ I've known Ed for close to 20 years and this breaks my heart. Such a nice guy and always had time to chat. He always let me know who was there at Wal-Mart, doing their shopping, that we might know :) My daughter always looks forward to saying hi to Ed and always asked where he was if he wasn't at the door. Ed was such an interesting guy and every time you spoke to him you would learn something new about him. This is a big loss for our little town.

“ I had the privilege of seeing Ed several times a week and he always greeted you with a big smile. He would stop by my office during the day and I would see him at Walmart in the evenings. My wife always enjoyed hearing Ed say, “You brought your better half out today.” My son asked about him every time we went out for groceries. He'd look for Ed just so we could shout, “Hi Ed!”
Ed would always ask about you, your family and friends every time you saw him. He was smart, kind and thoughtful. I only wish I spent more time talking with him. I'll think of him often and try to be as courteous as he was. RIP my friend.

“ I will miss my Walmart Greeter when i enter and leave Walmart. He would always smile and ask me where my better half was...I would say oh Ed i am HIS better half and we would smile and laugh. You will be missed Ed... An Alumni of Deering High too, we talked about our school. I was shocked to hear of your passing. I will miss you.. R.I.P. Ed..
