“ Dear Judy and family,

I know what it is to have lost a husband and my sincere condolences and prayers for peace for you at this time. I loved Everett and all he meant to Jim and me during the Amway years and your friendship was invaluable. It was Everett who helped us in our walk with the Lord and I am eternally grateful for that. Everett affected many in their quest for peace with God and in their journey for the truth of the scriptures. Those times in your farmhouse in Hollis were golden...even with screaming babies and kitties we eventually adopted. Much love is sent to you at this time. He holds a great place in my heart.
