“ Jeanie, Bev. and Melissa  
I am so sorry to hear of your mom's passing. She was the last of the McGlinchey spouses of my dad's ( Arnold) generation. I remember it was quite the trip to go down to visit them in the "big city".  
May the wonderful memories of her life be a comfort to you all at this difficult time.  
My deepest sympathy.

“ We were so sorry to read about the passing of your Mom. She was such a beautiful person. Something that was given to us when one of our parents died, and gave us peace and comfort , was the following: Those who we love don't go away. They walk beside us every day. Unseen, unheard, but always near. Still loved, still missed and very dear. Hope these words bring you peace and comfort too. Our thoughts and prayers are with you. Love Clay and Ellie

“ OH my, DEAR Girls & Guys , Florence & I send our deepest sympathies to you all at this sad time . I have many memories of her infectious laugh and kindnesses. Always with a smile . And always with her grateful pride in all of her family . Have to admit there are some people we think will just keep on keeping on ...but that is not His plan. So I'll just say may God bless and keep you and know she is in His Peace . Most sincerely yours, Gene & Florence Libby
