“ He was a great neighbor. We had some good times with him and family. He was always willing to help you out. I know he loved our two children ( Nicky,Rodney) as his own. He had a kind heart. I remember one time we were going out to eat with Jim and Glynda and we went by this different tree that I had not seen before and I asked what kind of tree was it. He come back with a colorful answer. We all started laughing and every time we see that tree we think of him. Love Roger and Nora
