“ I can't believe this has happened. I am so heartbroken by this. You were my little brother, married to my little sister.
I will miss your anger at the TV over the Patriot's games, and your kindheartedness to always want to make your guacamole. I will miss your precious smile. Dan will miss his ribbing you about Duke and N.C. .He will miss talking weather forecasts with you... . We will miss you totally..Until we meet again, we will watch over Sue B and Mikey. Please be there guardian angel..
love you, Dan & Stormi

“ Show Me Your Eyes

A space has opened
in our little school circle
where we'd gather on the floor
and show each other our eyes
for listening.

Oh, sweet Jamie!
New Alderbrook School will forever
hear you and your mates in our hearts
and histories in the ring connecting us.

Your beloved family waits, too,
but before you leave, remember
how we would sing, parting –

“We're all together again,
we're here, we're here.
We're all together again,
we're here, we're here.
Who knows when
we'll be all together again?
We're all together again,
we're here, We're here!”

With aching, grateful hearts
for having been your first teachers,
Ed and Pat Ranzoni
