

Jane C. Mattson

October 7, 1933 - January 18, 2020

SACO – Jane C. Mattson, 86, passed into the Gates of Heaven on Saturday, January 18, 2020, in Scarborough, Maine. She was born on October 7, 1933, in Portland, a daughter of the late Henry Burnham and the late Martha (Cram) Burnham.

Jane was a loving wife of 67 years to Theodore Mattson, mother, grandmother, caregiver for her oldest daughter Sylvia and always made herself available to anyone in need.

Jane's fondest memories are the love and fun times with her only grandson, Michael. She always looked forward to long walks, her love for the outdoors and flower gardens, and her younger days of camping. She loved spending time and holidays with her family.

Jane's favorite pastime would be doing her word search with her phone that was always glued to her ear checking on family members. Her grandson, Mike laughs at her favorite saying, "So Anyways, I'm fine and the world is all wrong".

She was also predeceased by brothers William, Richard and Donald Burnham, sister Joan Bowden.

Survivors include her loving husband of 67 years, Theodore Mattson; children Sylvia Mattson of Saco, Linda Horr Standish, Cynthia Thurston and fiancé Roger Loranger of Saco, grandson Michael Beckwith Jr Saco., sisters Jean Reynolds and Judy Ridlon.

Jane's family would like to thank the awesome, caring team at Gosnell Memorial House in Scarborough for all their support, kindness, compassion, laughs and hugs when needed.

There will be no visiting hours and a private Celebration of Life will be held at a future date.

In lieu of flowers, donations can be made in Jane's name to Gosnell Memorial House at 11 Hunnewell Road, Scarborough, Me 04074 or any of your favorite charities.

Comments

“ I remember spending many hours at Aunt Jane's as a child. It was always fun and you never knew what she would say next. Her love had no boundaries, opening her arms to foster children in her younger years. I always felt loved there. My deepest sympathies to Uncle Teddy, Sylvia , Linda, Cindy and Mike.
