“ So sad to hear of John's passing. I met John back in the late 80's. John, Rick Hannan, Dan, and myself would follow each other to car/truck shows in the late 80's early 90's as we all had show trucks. What a gentle soul he was. Laid back, quiet, soft spoken, likeable. Although, as is normal for getting older, we lost touch over the past few years, I did run into him from time to time and he was always willing to lend an ear to go down memory lane. John, you will surely be missed. Thank you for being a tooth in the cog of my life. Rest in peace bud.
