

## Leanne Joy Doyle

September 1, 1948 - December 19, 2019

STANDISH-- Leanne Joy Doyle passed away peacefully on December 19, 2019 surrounded by her loved ones at home in Standish.

Leanne was born September 1, 1948 and graduated from Portland High School Class of 1967 where she met her life long husband of nearly 50 years. After high school, she worked at the Jewish Home For Aged and Fairchilds. She spent 43 years between Maine Medical Center on P-6, Jackson Brook Institute on the drug and alcohol unit as a unit coordinator and Mercy Hospital on the eating disorder unit. She did some in-home nursing and ended her career as a health tech/receptionist with Robert Murray Optometry.

Leanne enjoyed summers up to “camp” on Little Sebago Lake with her family and cousin Martha Strong, who she shared a sister-like bond. She loved to swim at the lake, play cards and set off jumpin’ jacks during the 4th of July, surrounded by family. She loved to cook and make meals the size of an army so she could share them with everyone. Her one of a kind homemade recipes were; Vietnamese egg rolls, stuffed mushrooms, eggplant parm and lasagna, which included her own sauce. She enjoyed going out with her husband for meals, shopping, visiting friends, hitting the casinos and taking many trips together. She loved spending time “ramming” around with her daughter, playing bingo every week and special plane trips to Virginia visiting Martha and her family. She loved her Oregon visits with her son, daughter-in-law, granddaughter and great grandson. It didn’t matter what she was doing, she had a smile on her face! She loved her family, her friends and enjoyed life! She was friendly, fun loving and loved to talk to anyone. Strangers became great friends. She had a very strong, feisty and determined personality that including doing things her way and on her own terms. She took life head-on with great spunk, pride and humor. One of her greatest passions was telling dirty jokes to whomever she encountered. She loved seeing people smile and hearing their laughter. She had a collection of trinket elephants and cobalt blue glass that she cherished. As well as her many dogs, she adored. She had a one of a kind personality with a huge heart. She loved everyone and everyone loved her! Her favorite saying was, “Let Go and Let God”.

Leanne is predeceased by her parents, William D. Patterson, Sr and Joy L. Dunning and her brother, William "David" Patterson, Jr. She leaves behind her husband, Michael D. Doyle, Sr., her daughter, Kristie L. Ronfeldt and her husband, Jeffrey B. Ronfeldt, Jr, her son, Michael D. Doyle Jr., his wife Karla Robinson, her granddaughter Katelynn G. Doyle and great grandson, Bennett G. Doyle. As well as many nieces and nephews.

“ Dear Mike and Family,  
I will always remember the first time I met Leanne. She had moved from California to Maine and walked into my science class at King Junior High School. She was a hoot and we became fast friends. I have such fond memories of her in high school and have always considered her a dear friend. Love to you and your family.

“ To know Leanne Joy Doyle was to love her... I never knew her middle name was Joy, but it SO fits!! I worked with her in the mid 70's on P-6 where she was the Unit Clerk. She was a dynamo! My Dad always said if you want something done, go ask the busiest person; that was Leanne! She had a way of helping you that made you realize how capable you were whether you were an OT, a social worker like myself, a nurse, a psych aide, a patient, or a psychiatrist! Wonderful memories to work on such a great team! My heartfelt condolences to her lucky family; may her wisdom, the words she said, her humor, and her love for you remain in your hearts forever! I was blessed to have known her for that brief few years; she is someone you never forgot!

“ Kristie - Roger and I were so sorry to learn of your mother's passing. Please know that we are thinking of you and hope that you find some comfort in the memories of your life with her. I found out today that your Mom and Dad were in my older brother's graduating class ('67). He just sent me their pictures from his yearbook. What a beautiful couple they must have made!

Love,

“ I am so sorry to hear about Leanne's death. We worked together at JBI many years ago and she was always supportive and helpful. We had our ups and downs on 2 West, but I knew she always had my back. Please take care of yourselves and know that she is remembered fondly.  
Sincerely,

Susan Yetter (former 2 West Charge Nurse...many years ago!)
