“ Kathy and Paul

Your mother could light up a room by just walking in. She was an inspiration. The memories she has left with us all are priceless.

My sincere condolences to you and your families.

“ I was blessed to have Grammy Lil as a big part of my life growing up. We lived next door to Kathy, Kim and Kelly. Lil was always making us laugh with her great sense of humor. I loved seeing all the adventures you all went on. I am grateful I ran into her at Wal-Mart just this summer. She still had a great smile on her face and was happy to see me. I am very sorry for the loss of one of your best friends and will keep you all in my prayers and I am sending big hugs to you all. I hope Grammy Lil and Nob are enjoying each others company again. I am sure it is hard right now but remember all the wonderful memories you all have.
