“ Our condolences to Linda's family. I have fond memories of going to Bonny Eagle Pond with my parents who were great friends with Shirley and Ray. They played canasta. My sister and I hung around with Linda and Rick and visited Linda's grandmother next door. Fun wading so far out and seeing the clams in the water. My husband knows her father in law. Peace.

“ It is with great sorrow I write in tribute to Linda. No matter what trials or tribulations Linda experienced she remained a true lady from start to finish. She was gracious and forgiving and always had a kind word for most everyone. Linda remained true to her family and friends im sure until she passed from this earth. Heaven gained an

angel and earth is a lesser place because she is no longer here. I'm certain she will continue to watch over all with a loving eye.
