

## Lisa Marie Galipeau

November 10, 1968 - February 9, 2020

WINDHAM - Lisa Marie Galipeau, 51, passed peacefully at Gosnell House on Feb. 9, 2020, after her 16 month courageously strong battle with cancer. Beside her was the love of her life, Jim Powers, and her loving family. Born Nov. 10, 1968 to Donald Galipeau and Jean "Cantwell" Galipeau, Lisa grew up in Westbrook, and attended Westbrook schools. Lisa moved to Windham, where she resided for the last 20+ years. Lisa dedicated and devoted herself to raising her two beautiful daughters and went on to become the proud grandmother of her two amazing grandchildren. Lisa worked as a Pharmacy Technician in Westbrook and later became a bartender at Lakes Region Eagles for many years of which she was also a member.

If you were lucky to know Lisa, or even if you just met, you could feel the compassion, kindness, loving, spirit she was. Her personality and infectious smile made you feel as if you were the most important person in the room. Her wittiness and sense of humor at Gosnell, while friends and family filled her room, made it worth the wait in line to sit, chat, and hold her hand, all while she was consoling "us". As her Aunt Norma put it, "she was not given the years hoped but she gave us the gift of herself." Her greatest passions were the color of purple, her love of dolphins to include the Miami Dolphins, her dog Mitch, and cats Emmylou and Helen. But her greatest passion, was the special love she shared with Jim for the last 14 years of her life.

Lisa is survived by the love of her life Jim Powers; her parents, Don and Jean Galipeau; her daughters, Amanda Campbell and partner Chris, and Sabrina (angel girl) Campbell and partner Nick; her Grandchildren, Christine, and her little buggy boy Cayden; her sister Renee Gore and husband John all of Windham and her brother David Galipeau and wife Joanne of South Portland; her Godmother/Aunt Norma Galipeau as well as many Aunts, Uncles and nieces. We would like to give a special thank you to New England Cancer Specialists and Gosnell Memorial Hospice House of Scarborough.

A memorial service will be held on Saturday, February 22, 2020 at 11am at the Windham Chapel of Dolby Blais & Segee, 434 River Rd., Windham, ME 04062. Lisa's "Celebration of Life" will immediately follow at the Lakes Region Eagles, Route 302 in Windham. As a tribute to Lisa, feel free to display or wear the color Purple. Family requests in lieu of flowers, please make donations, in Lisa's name to Hospice of Southern Maine, 180 US

“ The first day we met. I was living with her big brother David ( live if my life). I had met most everyone in the Galipeau Family except for Lisa. I heard from Renee, Lisa was in MMC. I had that day off, so I just showed up, unannounced in Lisa room for a visit. I introduced myself. We spent two hours talking and laughing. She and I discovered many things in common; we both love purple, as well as a little bling, and we both have a little coffee with our sugar LOL. It was like I had known her for years. She instantly treated me like a sister, welcoming me into the Galipeau Family with open arms, as they all did. A few years later she and Renee became my sisters when I married their brother.

I am so very grateful, Lisa was able to set off to Las Vegas for our wedding with us. It was her first time on a plane and she had never traveled. It was so much fun watching her experience Vegas. I am forever blessed that Lisa gave me the honor, of being the one to walk me down the aisle to give me away to her brother. The memory of our exciting wedding day, the Patriots won the Super Bowl, although I know Lisa didn't feel that way, she is a longtime, big Miami Dolphins fan but she remained politely unexcited at that unbelievable “ come back” the Patriots did to win that Super Bowl. They couldn't lose on our wedding day. I cherish the memories we created over the last 8 years. I feel so cheated we won't make anymore. I do and will miss

her so much. I love you Lisa, always and forever. Thank you, Thank you for the gift of being my sister.

“ Lisa was like a sister to me for over 35 years. I thank God for bringing her into my life and for all of the memories we shared. With Lisa I could be myself and we shared many laughs, tears, and wonderful times. We raised our babies together and loved each others children as our own. No matter how far apart we lived, or time that passed as we went about our separate lives, we were always together in heart and my heart is missing a piece now. I will always love you "Sis". I'll see you again someday.
