“ TJ and Family,  
Sorry to learn of Dick's passing. I have many fond memories of working with him in the Windham Little League. He was a man that loved sports and had many skills as an athlete himself and was willing and able to pass them on as a coach. Later I got to work with Dick at Smcc. He was always somewhat quiet but had the respect of his students and other faculty and staff at the college. A life well lived and a positive impact on many others. Rest in peace Dick.

“ T.J. and family,  
Dick and I were so very sorry to hear of your Dad's passing. We have found it helps to dwell on the happy memories they have left us with. It doesn't make the pain disappear, but it helps us to live with it a little better. If there's anything we can do please do not hesitate to call.

“ I painted with Dick at Matt Donahue's studio for several years. Dick was a first class human being who spoke often of his family. He was a bright man with a great sense of humor. He was a man of integrity who loved life. I will miss him.
