“ Bob was a great guy. He helped me with several projects and also a committee or 2. He was a gracious man with many talents and a love of country. I often would check in with him as he sat in the car with his dogs, waiting for Mama (Barb) to come out. We shared many sweet times chatting about our dogs. Thank you for your service.

Barbara may God bless and keep you through this difficult time.

“ Not enough room here to share all the memories we have had with Barbara and Bob, just remember all the great times we had in their company. I remember my first visit to Maine -Bob and I worked on the footings for the shed and it was fun. Hand-feeding the many squirrels that visited their home (affectionately called Squirrel Haven). The long walks with the dogs. Bob was a very easy person to talk to and he and Barbara are the best hosts. Loved our trips on the mail boats. Just will miss his warmth and wonderful personality. Peace and love to Barbara, the pups and the entire family as they deal with this tremendous loss. Heaven has gained a wonderful angel. Much love, Lori, Marty, Maggie and Danny Lydard.
