LISBON - Ryan James Demmons, sadly and suddenly passed away at age 45 on June 16, 2021. He was the son of Kathleen and James Demmons as well as brother to his late sister, Amy Limanni.

Ryan lived his whole life in Maine, born in Portland on April 22, 1976, then living in Lisbon later on. He was a handyman who enjoyed fixing different things and worked as a painter for most of his life. Ryan was the father to two daughters, Savanna and Khaleesi Demmons; and a son, Taylor Ferrante. He left behind many who loved him including his ex-wife, Erica Demmons; nieces, Cassandra A. Limanni and Desira Carver; nephews, Kyle J. Limanni, Jacob Demmons and Eric Limanni; grandkids, Raiden Ferrante, Elias Ferrante and Blake M.S. Carver; along with his best friend, Troy Rossignol and many others.

Ryan was a beloved father, son, family member, and friend who enjoyed the simple things in life. He loved everyone he met, always lending out a hand to anyone and was always very outgoing. His enjoyments in life were his family, fishing trips, hunting, camping, snowmobiling and much more. If you ever needed to find Ryan there was a good chance that he was outside doing something or spending time with his family.

“ "Ryan was a guy who would help you out without even stopping to think about it. I remember a couple years ago he came and helped me and my wife and my brother paint our house to get it ready to sell. He offered his time, tools, and expertise without asking anything in return.

Another time, when my son was just a little guy, I was having coffee with Ryan when I got a frantic call from my son's mom. She let me know that my son was very upset because his Elf had fallen off the shelf and they had had to pick the elf up to return him to his perch. She didn't know what to do because my son was upset that his elf would lose his magic. Without any hesitation, Ryan agreed to call my son on the phone.

"Hi, Liam? This is Santa," Ryan said. "I just want you to know that I know you had to touch your elf to pick him back up when he fell. That was very kind of you. I just want you to know that his magic is safe. Thank you for helping him out."

It was a potential disaster narrowly averted. Ryan's big heart, warm smile, and loving nature will be missed. I love you, brother. I miss you.

“ My boy has left me to a brighter place. My heart hurts more than words. I always loved you like you were my son and not my nephew, same with your sister. I will forever be grateful to have been one of many who loved you. I will promise to you that I focus on your kind heart and loving personality. You are one of the best and the cutest little man I will never forget. You always had deep respect around auntie don't think I didn't notice. Lol. Your smile will be with me for the rest of my time.
