

## Rylie Cutter Wareham

November 4, 2000 - January 20, 2020

Gorham - Rylie Cutter Wareham, 19, of Gorham, passed away unexpectedly at her home on January 20, 2020.

Rylie was born to Celeste Cutter and Frank Wareham III on November 4, 2000 in Portland, ME.

She grew up in Gorham, graduating from Gorham High School in 2018. She was a three season athlete throughout her four years at GHS and was a valued member of the field hockey, lacrosse, and ski teams, receiving the Coaches' award in lacrosse in 2018. Rylie was a voracious reader, and she shared this passion by participating in Team Trend Setters, a reading program for children. As a Freshman in high school, Rylie's story "Behind the Helm" was published in the book, When the Sea Spoke. She was a huge supporter of her siblings' sporting events and, after her mother, was the #1 cheerleader for them. She was entering her fourth semester at UNH where she was studying Genetics and Spanish and was a member of the Kappa Delta sorority. She was planning to work as a counselor at Camp Jordan in the summer, where she worked last summer.

Rylie will be remembered for her kindness and good-natured spirit and truly had a heart of gold.

Her first priority was to put others before herself and would do anything for anyone, but in the rare instance that she needed convincing, Annie's mac and cheese and ramen noodles were as valuable to her as cash. She always strove to bring a smile to your face. Rylie was an "old soul", which is why she connected so well with her Aunt Kristen. They were often caught in conversations about finding the best deals, and antiquing at the "take-it" shop (AKA the dump). She also loved spending as much time as possible at the lake with Grampy.

She was known for being a "mother hen" to her siblings and liked to think she was raising them along with her mother, despite the fact that she was just a year older than her oldest sister, Isabelle.

It was common knowledge that Rylie absolutely adored her mother. If you were ever looking for her, the first place to look would be Celeste's back pocket. The two of them

were inseparable when Rylie was home, shopping together, sharing books, and supporting their favorite Boston sports teams.

Rylie is survived by her mother Celeste, sisters Isabelle and Julia, brother Asa, father Frank, and countless extended family and friends, all of whom will miss her greatly and love her dearly.

Visiting hours will be held at the Westbrook Chapel of Dolby, Blais, & Segee 35 Church Street, Westbrook on Tuesday January 28, from 1-3 pm and 5-8 pm. A celebration of life will be held the following morning at 10 am at the Costello Sports Complex in Gorham. In lieu of flowers the family requests that you donate to suicide awareness, American Red Cross, or NAMI (National Alliance for Mental Illness).

I know you can read this.

I will always see your smiling face as if you barreled into my 8th grade home room just as though it was yesterday. I will always hold in my heart your energy and caring for your family, teammates and peers. I will never, ever forget you and the time with which you graced my world.

“ Lovely Rylie, remembering you as a giggly little girl swimming in the pool on a warm summer day with all the kids and having snacks from the snack basket, how beautiful you looked on prom night with your handsome date and friends all coming to prom dinner, and when you popped in to see me before you headed off to college. You lit up the room with your beautiful smile and sparkling eyes, I am so thankful you shared some of your time with me to give me such precious memories , they will forever be in my heart.

Rest well sweet girl and God bless.

Sending love to you Celeste and your dear family.

“ Sweet Riley, I can't believe you're gone. I remember our last conversation. I remember thinking to myself, how proud I was of you and how you grew up to be exactly the same as you were the day I met you. You, Allie , & Haley took swimming lessons together, you must have been all of 3 or 4 years old. You were beautiful, even then looked just like your Mom, so sweet, and incredibly funny. So many of our memories over the course of your childhood, they all mean so much more now. Allie, Haley, and I will treasure them dearly. I wish things were different, I wish I didn't have to write any of this, I am so sorry. May God rest your sweet soul and comfort your family now. I love you all so much.

“ I was so lucky to have Rylie in my life for three years at GHS. I loved her enthusiasm for science class, how she loved to help me around the lab...chatting about the Patriots, Bruins, or Red Sox the whole time. I can't be more heartbroken this beautiful girl is gone. With deep sorrow, dear Wareham/Cutter family- Stacey Taylor

“ As I was searching old pictures I found myself smiling through the tears. Between the pictures of the perfectly placed Wareham subjects with their perfectly placed smiles, were the candid pictures of the hilarious, goofy, goober, fun-loving Wareham children. Teasing, poking, laughing, pretend pouting and giggling. I couldn't help the smile that crossed my face as I scrolled through the progression of the chaos that would eventually evolve into the perfect picture. Such a beautiful family. You are all so loved.
