“ Having Billy as my neighbor growing up was the best! My brother and I had a great bound with Billy and always thought highly of Billy. My brother and I will always remember the of fun memories we had running through the woods and Christmas trees, eating cinnamon buns which were his favorite, and the countless times of being thrown in the pool asking him to “Do it again!”.I love you Billy rest in paradise.

“ Oh Billy, this is so sad. We often thought of you. You were part of our family when you and Jenn were growing up. I know you have found your peace now. You will be missed terribly by your surrogate "Nana and Papa".

“ I'll always remember the fun and trouble we would get in, me and Tim, throwing Bill around in Grammie and Grandpa's pool, he was quite a bit younger but loved playing when we would visit, always had a smile on his face and more energy than the Energizer Bunny. I haven't been close with Bill since I moved away but I still love him and will miss knowing he's not there.
