

William Thomas Tanguay

March 8, 1967 - November 22, 2018

WINDHAM— William Thomas Tanguay, 51, passed away unexpectedly on Thanksgiving Day, November 22, 2018.

Billy was born March 8, 1967, the youngest child of John and Nancy (Baldwin) Tanguay. He grew up in Portland and graduated from Scarborough High School, class of 1985. Shortly after high school, Billy began to work in construction as a carpenter and later started his own construction company, T & T builders. Billy was a perfectionist when it came to his trade which was reflected in his finished product.

A jack of all trades, he was lovingly known to many as “Uncle Billy”. He was an avid hunter and enjoyed fishing, golfing and watching the Dallas Cowboys. Billy was a one of a kind “give the shirt off his back” type of guy.

Billy will be remembered for his laugh, fun personality, and glowing smile.

He is survived by his sons, Brandon and Joseph Tanguay; siblings, James Tanguay, Daniel Tanguay and his wife Deb, and Kathryn Tanguay Doughty and her husband Timothy; and many nieces and nephews.

He was predeceased by a brother, Edward Tanguay, and his parents.

A celebration of life will be held on Sunday, December 9, 2018 from 1pm to 5pm at the Moose Lodge in Scarborough, Maine. Arrangements are in the care of the Windham Chapel of Dolby Blais & Segee, 434 River Rd., Windham, ME 04038.

“ God Bless You Billy. May you enjoy your new life in heaven free from pain and suffering. Thank you for all you did for our grandchildren. I know they truly love you, appreciated everything you were to them and did for them. They could turn to you when they needed you. What a gift you gave. Kaitlynne got word that her flight from FI was cancelled so she would not make it home for your celebration of life. She cried, sobbed and cried more. I could hear her while out doors while she was inside. Her heart was in being there with your friends and family. And, her heart broke even more.

God Bless you all. Amen

“ With such sadness in my heart I write this message. But a smile can't help to come to my face when I think of the memories I got to share with this guy. The kid lit up a room wherever he went. He always wore a smile in good times and bad. He was a good poker player , good hunter, a good story teller But of all the things he was good at it didn't compare to how great he was at making yourself feel better about yourself. He was kind , gentle , a great cousin and a super great dad. You Billy will be missed and I know and truly believe we will all be together again someday until then cuz. Godspeed. Love ya. Cuz Dave
