Wilma Viola (Savage) Gouzie was born November 6, 1918 in East Poland Maine, daughter of George and Myrtle Savage and has completed her journey of life on June 11, 2020. The cause of her death was a life well lived.

She and her parents moved to Westbrook, and she attended local schools. Mom worked at S.D. Warren where she met and married her husband of fifty years, Marcel. She was a stay at home Mom, she dedicated herself to her husband and family by cooking, cleaning and driving her children to various functions. Mom had a special nickname given by her son-in-law, Larry, he always called her Mother Goose. Marcel and Wilma enjoyed summers at their camp on Watchic Lake, Standish for many years living next door to their closest friends, Ed and Ellen Robinson. They sold their home in Westbrook and rebuilt their camp into a home on the lake. Mom and Dad were able to winter in Florida for 25 years. Mom was predeceased by her parents, her brother Robert, first husband Kenneth Crawford, her husband Marcel. She was also predeceased by her best friend of 60 years, Ellen Robinson.

She is survived by her son Jon & wife Jean Crawford of North Carolina, and daughter Terri & husband Larry Douglass of Gorham, Maine. Wilma loved her grandchildren, Kathryn, Benjamin, Sarah, Timothy, Kati. She was able to spend holidays, birthdays, dance and school recitals with her three great-granddaughters here in Maine, they were the apple of her eye: Honora, Allison, Addalyn. She also had three great-grandsons, Clifton, Paul, Brian and two great-great grandchildren in North Carolina.

We especially want to thank the wonderful friends at the INN at Village Square in Gorham where my Mom was a resident. The care that was given to my Mom was exceptional in the two years that she was a resident, and during her last days. Thank you are two very small words to say for everything that my Mom received. We also would like to thank the staff at Gosnell, Scarborough, giving my Mom the dignity she deserved during her last steps home with the Lord.

“ Dear Terry,  
My deepest sympathies to you , your brother, your spouses, and your entire family in the loss of your mother. She was such a sweet lady. I last saw her when she was rehabilitating at Gorham House in the same room as my sister in law. I also remember you and her came to my parent's home in Westbrook to visit my grandmother who was visiting from the mid west, who your mom knew.  
The obituary is beautifully written and tells of the wonderful life she lived.  
God bless you all.

“ Dear family of Wilma,  
My sincere condolences and promise of prayers for you'll.  
Wilma became a friend while our Saturday visits at The Village while bringing Wilma Communion.  
Wilma loved to have a time to share while visiting with her.  
Wilma would frequently mention St Hyacinth Church , her helping with Catechism and her home near to the Church. my sharing was about going to the 4PM Mass at St. Hyacinth on Saturday and saying a prayer for her and the residents in addition to playing the Trumpet in worship music.  
Even in difficulty with mobility, Wilma persevered.  
Will always remember the Church bells ringing for Armistice day while her mom was in the hospital.

“ My mom thought the world of Wilma. Whenever I think of her, I think of "Wilma and Ellen" because they were the absolute best of friends. I remember them both as being incredibly kind and also lots of fun. We had some wonderful times at their camps on Watchic Lake. I am saddened that time and circumstances meant I had not seen Wilma for years now. I am sure she was more than welcomed to the "other side" by a host of people who loved her so much...including Marcel, Ellen, my mom and my Dad and her brother Robert. Such wonderful memories. I am sure you will miss her very much Terri. I hope time gifts you with comfort and peace and remembering the abundant blessings of having Wilma as your Mom. She was indeed a special lady!
